

Lightroom Brushes Installation Instructions

For Lightroom 4-6 and CC

1. Open your zip file.
2. Save the Greater Than Gatsby preset folder in an easy to find location on your computer.
3. Open Lightroom and select the following from the menu bar:
 - Mac = Lightroom > Preferences
 - PC = Edit > Preferences
4. When the Preferences box pops up, make sure you are on the **Presets** tab, and then click the **Show Lightroom Presets Folder** button.

Note: 'Store presets with this catalog' should remain unchecked.

5. You will be taken to a folder named **Lightroom**. Click inside and find the **Local Adjustment Presets** folder.
6. Leave the current window open. Go back to the place where you saved your Greater Than Gatsby brush preset folder and select all the brush preset (.lrtemplate) files inside the folder.

Note: To highlight all files: **Click** the first preset file, hold the **Shift Key** and **Click** the last preset.

7. **Copy** (Command + C on a Mac or CTRL + C on a PC) all the highlighted .lrtemplate files
8. **Paste** (Command + V on a Mac or CTRL + V on a PC) the .lrtemplate files into the **Local Adjustment Presets** folder.
9. Restart Lightroom and you're done! You can find your Greater Than Gatsby brush presets under **Effect:** in your brush palette.
