

## Lightroom Preset Installation Instructions

For Lightroom 4-6 and CC

1. Open your zip file.
2. Save the Greater Than Gatsby preset folder in an easy to find location on your computer.
3. **Copy** (Command + C on a Mac or CTRL + C on a PC) the entire preset collection folder (make sure you do not copy any PDFs or Brush folders).
4. Open Lightroom and select the following from the menu bar:
  - Mac = Lightroom > Preferences
  - PC = Edit > Preferences
5. When the Preferences box pops up, make sure you are on the **Presets** tab, and then click the **Show Lightroom Presets Folder** button.

**Note:** 'Store presets with this catalog' should remain unchecked.

6. You will be taken to a folder named **Lightroom**. Click inside and find the **Develop Presets** folder.
7. **Paste** (Command + V on a Mac or CTRL + V on a PC) the entire preset collection folder into the **Develop Presets** folder.
8. Restart Lightroom and you're done! You can find your Greater Than Gatsby presets under the Preset section in the Develop module.
